We're having a little party this month, and you're all invited. Yup, the Paul Raymond 'Massive' is getting down at Platinum Lace in London, with girls-a-plenty, and it's free to get in, but only if you give us a shout beforehand. Check out page 63 for more information. We'll be the bunch at the bar with ill-fitting suits and a hefty bar tab. We can't guarantee which girls will turn up on the night, but Syren Sexton and Angel Long tell us they're coming. Beats a night in... ♣

Dear Club
There are a lot of perks to being the boss of your own company, not all of which are financial. In fact, it's worth coming to the office each day just to get a look at my secretary Susan. And yesterday I got so very much more than just a look…

I honestly had no ulterior motive when I pressed the intercom button, asking, "Susan, could you come in here for a minute?" Seconds later my office door opened, and in walked that familiar figure: a big-boobed blonde wearing a tight white blouse that showed a lot of cleavage and a hip-hugging black pencil skirt. Susan wore glasses, high-heeled shoes and a sexy pout on her pretty face. Perfect. Momentarily distracted by the way her tits jiggled a bit as she sat down in the chair opposite my desk, I told her, "I'd like you to take some dick, uh, dictation…"

"Certainly, sir. Ooops!" She somewhat theatrically dropped her pen on the floor. "I'd better pick that up." Then she hitched up her tight skirt, dropped to her knees and crawled under my desk. All I could see of her now was her fine, firm arse wiggling just beyond the edge of my desk. For a moment I zoned out staring at her arse, until I was roused by the awareness of her hands fumbling at my fly.

My jaw dropped. Susan was actually pulling down my fly!

"You're not going to find your pen there," I gasped.

"Oh, I'm sure I'll find something useful," Susan replied, then added as an afterthought, "sir." An eager hand expertly freed my throbbing dick, and I could feel Susan's warm breath tickling my helmet. And then I felt it being enveloped in her snug, wet mouth. Susan slowly worked her lips down the shaft until I felt the head of my dick touch the back of her throat. As she pulled back she grasped my thick tool in one hand and cupped my balls in the other, her mouth making obscene sticky sounds as she slid up and down on my prick, her tongue swirling around my slit with every cycle, driving me mad with lust. Leaning back in my executive chair, I settled in for the ride.

And what a long, slow, wonderful ride it was. Soft moans and slurping sounds came from under the desk as Susan continued working on my meat. I saw reflected in a chrome wastebasket by the door the image of Susan's bare arse, her legs slightly apart as she knelt, and a manicured forefinger sliding between the lips of her moist cunt. A cunt I'd long wanted to get a look at – a cunt I'd so dearly love to fuck. Well, now was as good a chance as any.

I got up and came around from behind my desk, my erection bouncing with each step, and knelt behind Susan. She made a V shape with two fingers to spread apart her snatch lips. Positioning my cock between her dripping snatch lips, I slowly eased it in. Susan gasped and shuddered as my fat cock filled her gaping cunt, sending a shiver down the length of my knob.

As I began to thrust faster and more powerfully into her love tunnel, her body quivered more and more. And so it went for several minutes until eventually a massive orgasm ripped through her. As it subsided, I pulled out of her cunt. Susan turned

BIRD ON THE WIRE

Dear Club,
While I buy *Club* mostly for the proper models, I've always had a soft spot for the Readers Girlfriends you feature. I've got a problem, though. I reckon my bird would grace the pages of *Club International*, but I can't get her to agree to pose. She's flashed a boob for my cameraphone when I've got her drunk enough, but she says there's no chance she's going to be in a porn mag for blokes to wank over. Any tips? I'd love to get into *Club*.
Jamie, Cambridge

It's tricky. If she's a hottie, it's only right and proper you should want to show her off and if she's as fit as you say, then we definitely want to see the pics. But if you try and force the issue, chances are she'll scarper. Maybe show her some back issues and tell her about the girls who've gone on to modelling careers after being in Club. If that doesn't work, just get her really, really shitfaced. We're joking…

APRIL 29th WANK HOLIDAY!

Ah, the royal wedding. Tedious reams of coverage, fascist street parties and loads of worthless souvenir tat. On the plus side, an extra bank holiday, Middleton is actually semi-fit, and TVX have made a movie about it with some semi lookalikes called *Royal Romp*. It stars the lovely Megan Coxxx (who recently featured in *Club* as a Readers Girlfriend before her adult career took off) as Kate Fiddleton, and things happen that would make Huw Edwards lose his poise. We'll take Megan over Kate anyday – unless we also get to see the latter taking a deluge of man muck from a 10" cock. Unlikely, we know, but you can't write it off. *Royal Romp* goes out on TVX on 29th April and on Red Hot TV on the 30th. Well worth polishing your crown jewels over.

around and sat back on her heels. "I want to taste your cum," she gasped. "That's if that's okay with you, sir."

"I hereby authorise you," I replied.

Slurping on the head of my dick, Susan must have tasted the first drops of pre-cum and known I wasn't going to last long. She pulled my cock out of her mouth and wanked it hard, tilting her head back and opening her mouth to receive my cum.

The first blast squirted over Susan's upper lip, giving her a creamy moustache, and the next jet splashed over her glasses, rendering her spunk-blind. Unfazed, she took my cock back into her mouth and sucked a few more times as she stroked my shaft. That did it, and now I was flooding her throat with thick washes of my man-juice. As rivulets of cum dripped from her overflowing mouth down her chin onto her heavy tits, she rubbed my cock on her chest in ecstasy. Who says you shouldn't mix business with pleasure?

Kate Hunter is spacin' out...

The Editor was reminiscing recently – and rather unpleasantly – about the first time he got his fingers wet and how the girl had a not dissimilar name to Kate here. It took a phone call for us to establish that Swindon sweetie Kate had never been to the Nottinghamshire market town where our esteemed leader enjoyed his first furtive fumblings, so that puts his theory to bed.

Although, to be honest, we didn't even need the phone call. Kate here is 23. Our editor is pushing 40. Also, she's way, way out of his league. However, this compelling evidence doesn't seem to be stopping him typing the names of all his ex-girlfriends into Facebook and cross-referencing with modelling databases in a vain quest to relive his youth. Ed, if you want to find out where all your ex birds are, why not log yourself onto Mumsnet? ♣

AND THE SINNER IS...

This year's SHAFTAS were bigger, better and decidedly more drunken. We sidestepped the C-listers and made a bee-line for the porn stars...

Sinclair shows us her spectrum!

Best new starlet Megan Coxxx!

To London's For Your Eyes Only where the great and the good (and us) gathered for TVX's annual SHAFTAS, where ladies receive gongs based on how well they receive dongs. As soon as we entered we clapped eyes on the legend that is Charmaine Sinclair and her saucer nipples, and that pretty much set the tone for the night, as we shared drinks and chit-chat with Syren Sexton (who won Performer of the Year), Katie K, Michelle Moist, Krystal Webb, Angel Long (who won again) and repeatedly asked them all to show us bits of themselves. Bez was in attendance, as were some numpties from some series of *Big Brother* we never bothered watching, while Tim Westwood took a night off from pressing that 'explosion' button to present an award. Speaking of which, hostess for the night was Lindsay Dawn McKenzie, who looked the best she has in years, even if she didn't grant us a gawk at her milkers. But Charmaine did, bless her... ♣

Prom
(Digital Playground)

If you turned on MTV, perhaps in the vain hope of catching a music video, you'd soon come to have a pathological hatred for the spoilt teenagers of wealthy American families. They really are a bunch of cunts. So don't bother, stick this in your DVD player instead and watch Selena Rose as she 'attempts' to lose her virginity on the night on her senior prom. You can guess how it turns out. Her classmates, perhaps a tad too old in the real world to be playing 18-year-olds, include the wonderfully buxom Yurizan Beltran, who sounds like a Greek Olympic weightlifter, but is instead a pretty lady who does nice things with her boobs and vagina.

★★★★

Jessica Drake's Guide to Wicked Sex: Fellatio
(Wicked)

While our interest in Wicked's features and 'wall to wall' efforts ebbs and flows, the one constant is our love for jessica drake. The lower-case luststress has been their rock for over 10 years now, and she's still gorgeous. Here she provides an expert step-by-step guide to blowjobs, sharing her knowledge and techniques in a way that is both informative and capable of making you wank yourself to a froth. It does help that she co-opts Bobbi Starr to assists, who gives some of the best deepthroat blowjobs in the biz. ★★★★

No Fake Boobs Allowed
(Private)

Come on, guys, let's not be too hard on fake boobs. Some of them are lovely. Okay, the ideal is amazing natural boobs, but not everyone can be Adele Stephens. We've had plenty of nice times with boobs that surgeons have had a hand in over the years. That said, the set of all-naturals here isn't to be sniffed at, especially those attached to Rita Faltoyano and the underrated Krystal de Boor. It's a best-of, as that cast list might have revealed, but we're not snobby about Best-Ofs. They've got the word 'best' in the title, they're bound to be good. ★★★

SMOO RIED!

What's in a name...

There are many reasons to admire Amy Ried. Her icily beautiful looks, those wondrous boobs, those films where she takes it up the wrong 'un. But perhaps her finest feature is the way she's cocked a snoop to convention and put the 'i' before 'e' in her name. Okay, we all know that it's 'i before e except after c', but not usually in the spelling of the name 'Reid'. Or 'Ried', as Amy would have it. You might think it's a bit of a strange thing for us to focus on – what with that face, those aforementioned boobs and yes, certainly, those films where we can confirm she takes it in the wrong 'un. But our explanation is simple: we're very lonely people. ♣

PORN STAR RETIREMENT HOME

Where we look back at the cock-slurpers who hung up their chaps...

No. 9 – STEPHANIE SWIFT

There's no doubt about it, Stephanie Swift is an all-time classic porn star. Between 1995 and 2009, the 29-year-old actress appeared in nearly 400 hardcore films, putting as much gusto into her acting as her sex scenes, wrapping her lithe figure around any number of cocks. During her career, the Louisiana-born multi-ethnic brunette won bucketloads of awards and drank bucketloads of semen, but always gave the impression of being a sweet girl, and smart to boot. Sadly, Swift retired from the industry in 2009, after being diagnosed with breast cancer. She has had multiple operations and chemotherapy, and as of March this year has been given the all-clear – we're very glad to hear that. Lots of porn stars turned out for charity events to help raise money for Stephanie's treatment, which is heart-warming to hear. She's now affiliated to a religious website called *xxxchurch*, which helps porn stars who want to quit do just that (which sounds spoilsporty, but if they really wanna quit then it's fair enough). So no, we won't be seeing Steph onscreen again, but at least she's left us with a great body of work. God bless her.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: Kim Basinger

We all age. It's a sad, hopeless fact of life that we're all headed in the same direction on a merciless timeline, and as we do our bodies sag, wrinkle and shrink until we're shadows of our former selves. Now, when you're an overweight misanthrope who spends 17 hours a day staring at a PC screen, this doesn't matter. When you're a glamorous Hollywood actress, it just isn't fair.

There was a time every man in the land would've given a bollock to shag Kim Basinger – she was a walking wet dream in the 80s, appearing in films like *Never Say Never Again* and *Nine and a Half Weeks*; a walking MILF in the 90s, winning an Oscar, no less, for her turn in *LA Confidential*. But now she's a lady approaching her 60th, and no matter how much of the old Basinger she resembles, there's a bit of nan too. Which is always going to put one off one's stroke. Life stinks.

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

Sheen's Queens

The whirlwind of Charlie Sheen nonsense this last few months has dovetailed in and out of the porn world. The most recent exploits have involved a porn parody starring his pal Kacey Jordan, Not *Charlie Sheen's House of Whores XXX*, his first ever tweet being a photo of him hanging out with Bree Olsen, and the sadder news that Kacey attempted suicide this March, in public fashion. She tweeted "i took a bunch of pills ... drank a hotel size bottle of jack ..." along with some other desperate-sounding tweets, was apprehended by police and taken to a secure unit for evaluation. We hope the minx sorts herself out soon.

Brittany's Fears

Amongst the devastation and tragedy of the Japanese earthquake and tsunami this March was a small story of a porn star trying to get home. Brittany Andrews was staying in a Tokyo hotel when the quake struck, and was trapped on the 48th floor for hours as floors below her and other survivors caught fire. She live-tweeted through the event, and then, when stranded at the airport later in the day, started recording interviews with other stranded travellers for a documentary she plans to release (she spent two years at film school). While we're looking forward to it, we'd like to urge Brittany to include at least one three-way anal gangbang in the project. You know, for old time's sake.

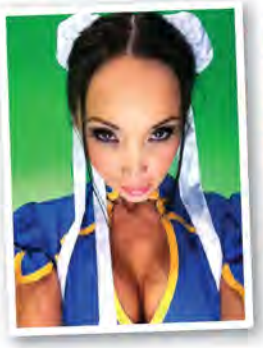
THE BIT ABOUT BABES WHO LOVE TO BLOG...

Multi-racial minx Katsuni (we count French and Vietnamese in her heritage, but she lives in the US and has a Japanese name too) is an avid tweeter, runs a little blog (*www.ilovekatsuni.com*) where you can watch vids and webcams, and tweets in English and French (but thankfully usually translates for us mono-language speakers). She keeps her followers nicely updated with what she's up to, whose dick she's gonna be gargling with that day, and her thoughts on the world we all walk upon. She's fun, sometimes a bit snarky, and very chatty with those who send her messages, so kinda ideal really if you want to stay up till four in the morning, dick in hand, sending messages to girls you like to think about when you're doing lonely-sex. Here are a few choice tweets from recent months:

"7.35am goood moooorning Vietnaaaam !!!!"

"Since I discovered Angry Birds I'm able to stay more than 1h at the gym."



"Back on the roads! Spending another night in the train...alone..no kisses, no cuddles. :-("

"What am i doing tonight? Travelling by train.. Going somewhere in the mountains where i may find... Dragons.."

"About to buy a box of "king size" condoms..I'm already turning red..:-)"

Point your web browser at *www.twitter.com/katsuni* to follow (and not in a stalkery way) this pert little piece of exotic ass. And tell her bonjour from me!

Top Five...

Catwalk Queens

They're not just clotheshorses, they give our willies a bit of a boost too...

5: Agyness Deyn
She's the trendy one whose haircuts always look like they've been done with a geometry set, but she's got a cracking bod and doesn't mind showing it. Yeah, all of it. We've even seen that special bit where periods live. You'd probably cut yourself on her bones but we'd do her.

4: Lara Stone
The gap-toothed Scandinavian has settled down with Little Britain's David Walliams but it doesn't stop us from pretending she's married to us. Along with all that entails (sex). Matt Lucas doesn't know what he's missing.

3: Heidi Klum
Heidi Clump, more like! Ha! Geddit? Cos a clump is a fanny? See? Haha! Anyway, she's got great tits, is probably a billionaire, and is well fit, innit. Lives with Seal, does loads of TV and according to the Editor, who interviewed her, is 'lovely'.

2: Kate Moss
Recently seen stalking the bafflingly popular BBC web sensation Misery Bear for Comic Relief and fagging on the catwalk in Paris, our Kate is still modelling the shit outta things, 20 years after starting in the biz. Go Kate!

1: Gisele Bündchen
She's stunning, Brazilian and has got a Brazilian (we've seen it!), along with being the highest-paid model in the world. So if she asks you on a date, FFS say yes! That surname isn't very Brazilian though, so let's hope she's not a secret WW2er.

SEXY SEX FACTS ABOUT SEX

Women are most likely to want to have sex when they are ovulating (so make yourself a little diary if you wanna get the ball & chain to give you a regular reacharound)

Among sexually active adults, lesbians have the lowest incidence of sexually transmitted diseases (which is probably something to do with dental dams, right?)

The practice of autoerotic asphyxiation (stranglewanks) takes the lives of 250 to 1,000 people each year (according to extremely unverified sources)

Agalmatophilia is an attraction to statues or mannequins (that's normal, right? RIGHT?!??!) ♣

MMM DANIKA!

We'd like to get Activia with Danika...

Okay, okay, we know that Danika isn't all that much like 'Danone', but it still sounds like a yogurt with spurious health claims. Doesn't it?

"I'm a little insulted," bristles Danika. "I thought we were going to do one of those sexy interviews you do in *Club*, but now you're talking to me about yogurt. I don't even like yogurt!"

What? Not even Ski? Prize Guys?

"I don't know what they are."

Fair enough, Danika is from Europe, they might not have had the benefits of Prize Guys yogurt where she grew up. As for sexy talk – we were going to get onto Danika pouring yogurt over her tits and licking it off, but she'd hung up by then. ♣

Sony Reader PRS-650

Pure Avanti Flow

Sony Reader PRS-650

£200

www.sony.com

Even if you're massive book lovers like we pretend to be, there's no holding back the charge of the Kindle and other readers. If we're already seeing this many on the train, bus and tube, then in a few years time they'll be as ubiquitous as the iPod. Sony has a lot on its hands as it does battle with both the Kindle and iPad in the portable Dick Francis stakes, so how does it fare?

Well, the results are mixed. At first glance it appears fine, but the screen isn't as responsive as the market leaders, the stylus is annoying, and the range of books isn't as wide as that offered by Amazon. Although you'll probably get the shit book you're after. It's also more expensive both to buy the reader and the books. Show us something here?

Pros: They've improved their own screens from previous models.

Cons: But not enough at this price.

Pure Avanti Flow

£200+

www.pure.com

It's hard to know these days what's a dock, what's a streamer and what's a streaming dock. Well, what we can tell you is that Pure, having ridden the craze for digital radio, have moved on a step with an all-singing, all-dancing streamy-docky thing called the Avanti flow. So, yes, lots of nice radio options and good sound, a big subwoofer helping out there, but also a really good innovation called 'Flowsongs' that means you can hear a song on the radio, then download it, tag it and treat it like an MP3. It's got a dock, it has presets out the ying-yang, just don't expect us to compartmentalise it.

Pros: Sounds lovely, heavy on the features, attractive.

Cons: Is it enough to make similar things you already own obsolete?

Apple TV

£99

www.apple.com

Sometimes you feel as if Apple won't be happy until they've cornered the market in all electronics, including life support systems. They won't be the absolute best life support systems, but they'll look nice. Here we have Apple with a television. Being Apple, its sleek, without extraneous bits and bobs to make it clunky, and obviously it's compatible with all your other Apple gadgets – iPads, iMac, iPads – when it comes to streaming media. Oh, and you can watch films and telly via your iTunes account. They've thought of everything.

Pros: Compatability, streaming, works a treat.

Cons: A bit diddy in these 42" plasma days. ♣

RICKTEASE!

Meet Ricky. Bianca will be along soon...

Ricky has wanted to be in *Club* so long that she's been bombarding us with phonecalls and emails. Dirty emails. Dirty emails that, let's be honest, had our desks rising.

"Hee hee, sorry," giggles Ricky, her dream fulfilled at last. "I masturbate to *Club* all the time and I really, really want to be the girl that men and women wank to. Oh god, I can't help touching myself when I think of the spunk raining down on my pages, people looking at me as they orgasm."

Yes, those kinds of emails. ♣

Sasha's Secrets

Every month, Club's sensational regular girl Sasha will act out your fantasies. She's not shy – write to her and tell her exactly what you want her to do. Who knows, you might be lucky enough to get Britain's fittest lass juicing up over your letter and then making it come to life. Oh, and she gets even dirtier online, where we've got the pics we can't show you in the mag!

Sasha

Sasha's Secrets

I've been promising you naughty boys and girls that I'd dress in my nurse's outfit for a while, haven't I? Sorry for teasing you for so long. The thing is, every time I put this on, I get out of hand! It's like a charge runs through me and I go sex mad. I just want to treat a bloke like my patient and nurse his cock in my mouth. What could be sexier than a nurse peeling back the sheets and taking your aching hard-on between her lips? I'd smack it against my nipples before deepthroating it. What's that? Your balls ache? I'd better suck them a little then, and then empty their contents straight down my throat. After all, isn't that what the NHS is all about? Well, it certainly would be if I worked there! ♣

Dear Sasha

I'm not going to beat about the bush, Sasha. Yours are the first pages I turn to when I buy my monthly *Club*, and the first ones I wank to. I keep meaning to save my spunk for the rest of the mag, but if I touch my dick when I start looking at your pictures, I can't leave it alone. Sorry, just had to tell you that.
Adam, Herts

I admire your honesty, Adam, but I'm also glad I'm the girl you wank off to. I love the other girls in Club, but I'm sure there are readers checking them out, so just keep saving your lovely sperm for me. It turns me on to think of you pulling on your meat with the mag open in front of you and me looking up at you. In fact, I'm going to have to go and do something about that right now!

Dear Sasha

In my fantasy, you're a private caterer who cooks meals for couples in their own home. Only, my other half has got stuck in traffic and is really late. The night is turning into a disaster, until you take off your apron and disappear beneath the dining table. When you re-emerge, my dick is in your mouth, and it's still there when my wife walks through the door. She's open-minded, so instead of going mad, she joins in and we have a wild threesome.
Richard, Colchester.

You certainly have a very understanding wife, Richard! I love threesomes, especially when me and another girl tag-team a cock. I love the expression of pleasure on a man's face when he looks down and sees one girl sucking his knob, the other sucking his balls. Bliss!

Fancy a Reader's Girl slot? Then send a picture, along with your name, address and a contact telephone number to: Readers' Girls, Club International, 3rd Floor, 207 Old Street, London, EC1V 9NR (or email clubint@paulraymond.com). If you've got the Club look you'll get a top photo shoot and a £250 cheque, too!

NAME: Kloe **AGE:** 19
FAVE SEX: Threesomes
WHAT'S SHE LIKE? A delicate but oh-so-dirty redhead.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
Because I want to be a model and I know *Club* is a great place to start. It's always full of sexy girls and I want to be with them!

AND HERE YOU ARE.
I didn't believe it when the photographer called me up and said I'd been selected for *Club*. But then he convinced me and I got really horny thinking about it.

WERE YOU HORNY DURING THE SHOOT?
I was very nervous at first. I'd never got naked in front of anyone other than boyfriends before. But after we got warmed up, it was the sexiest experience of my life. You can tell in a few of the finished shots how wet I was getting.

LUCKY PHOTOGRAPHER.
Well, he could have been luckier. I got so worked up that I started fingering myself and told him to jump on and fuck me. Unfortunately he was married and said no, his wife would kill him!

GOOD FOR HIM. LOOKS LIKE WE'LL HAVE TO PHOTOGRAPH YOU PERSONALLY NEXT TIME!
Well, there's no guarantee I'll get so turned on again, but you never know what might happen! ♣

DICK FROM DOCTOR!

I've been working as a nurse in my local hospital for the last 4 years. I had finished my exams and got my nursing certificate shortly and worked in community nursing for a few years. Since I've started there have been a lot of staff turnover including a few doctors and over the years I gained seniority and basically I now manage a ward; there are four doctors and several nurses.

About three years ago I hired Mary and the two of are the best of friends. Mary and I have both recently celebrated our birthdays together. One of the doctors (J) informed us three months ago much to our disappointment that he was taking time off work for the next year to travel, Mary and I just looked at each other and groaned and giggled, "Shit, now we have to train another one!" He said for us not to worry, he'd make sure that he was well trainable and we told him he also had to be really sexy. He laughed and said we were pushing our luck.

We were soon told we had a replacement for J and that his name was Steve, 30 years old and had been working in Africa for the last two years. When he arrived, he had a long blonde ponytail and perfect body, all the nurses were in a total daze that day; no one could take their eyes off him. Soon we were all working well together and Dr. J was ready for his year off. We threw a party after work. Mary had one too many because she came to me with a bet. The bet was which one of us would be able to get the hot new doctor into bed and fuck him. My chin dropped in shock, but my pussy throbbed and ached at the visual in my head.

I gulped down the rest of my drink and took her challenge. I knew I had the advantage and I sat, deep in thought, plotting my next move. Mary made a beeline for Dr. Steve on the dance floor and cut in between him and our young receptionist and began to dirty dance with him. He looked surprised but once she grabbed his hands and placed them on her bum, he started getting into her seductive dance. I was pretty turned on watching the two of them gyrate against one another and I ached to rub my horny pussy.

After a few songs, she led him by the hand back to our table and we got another round of drinks. I quickly saw Mary had her hand on his thigh while we drinking. I quickly moved closer to him, giving Mary a wink and I placed my hand higher up on his thigh, almost causing him to choke on his beer. He looked at the both of us and smiled. I think he knew what we were up to, but went along with it anyway. I leaned over and asked if he wanted to dance, much to the disappointment of Mary, he accepted. Taking my hand he led me out onto the dance floor.

I turned up the heat and grabbed his bum just as Mary had and pulled him hard against me. His arms wrapped around me, I could feel his hot breath on my neck which made me dizzy. He pulled back slightly and looked down at my C cup boobs and smiled.

"Someone's excited!" he said smiling. I looked down and saw that my nipples were rock hard and was pointing out from my blouse and were rubbing against him. I blushed and nodded, and told him I couldn't help myself, he was just so incredibly sexy. He thanked

me and pulled me back against him, except this time, I could feel the unmistakable hard bulge pressing against me. Stunned, I pulled back slightly and asked, "Excited?" We both burst out laughing and continued to grind out bodies on the dance floor.

I glanced over to see Mary sulking at our table when she saw the chemistry between us. I blew her a kiss and a wink to let her know it was going well. It was getting late and we sat down for one last round. Both Mary's and my hands were busy working closer and closer to his crotch which he completely enjoyed. I whispered into his ear and he looked at me with a pleased grin and nodded. He grabbed Mary's wrist and my hand and we headed out and grabbed a taxi. Mary wasn't sure what we were up to but went along.

The three of us hopped into the back of the taxi and I told the driver to take us to a nearby hotel. Steve leaned over to Mary and kissed her deep and hard, taking her breath away while I reached into his jeans and gripped hold of his hard throbbing dick. God it felt so good in my hand. I couldn't wait to feel it pounding inside me! Dr. Steve then slid his hand between Mary's thighs and began to tease her inner thighs making Mary shudder all over while he shoved his tongue in my mouth. My eye caught the taxi driver watching us intently in the rearview mirror. I was pretty sure his hand was rubbing his crotch.

We arrived at the hotel and we headed up to our room. Dr. Steve had Mary pinned against the wall with her leg wrapped around his waist while he kissed her and fondled her gorgeous boobs. I pressed myself against him and fondled his bum and massaged his back as we were in the lift. Once we got into our room, I whispered into his ear and told him to take Mary while I watched. Since fucking him was her idea, I wanted him to do her first. He nodded and said gladly.

> **"He kneeled between her thighs, gripped his huge cock and drove it into Mary"**

He led Mary to the queen size bed and took her into his arms and began fondling her boobs once again as I began to undress her. Once I had her stripped I moved to Dr. Steve took his clothes off, making sure I had a quick sample of his fat cock in my mouth before giving him over to Mary. He then laid her on the bed and spread her legs open and devoured her smooth waxed pussy while I stripped down and sat in the chair and began to masturbate. He licked and slurped on her soaked pussy for a good fifteen minutes bringing her to multiple orgasms.

He then kneeled between her thighs and gripped his huge cock and drove it into Mary. Mary gasped and shuddered as his cock filled her pussy. I worked my clit furiously as he slammed into her giving her a fuck of a lifetime. He sucked and nibbled her nipples and she cried out, "Oh fuck yes!" and came hard as her juices squirted all over his cock and balls. Spent, she rolled out from under him and gasped, "Your turn, your turn."

I gladly jumped out of the chair and onto the bed on all fours and begged him to fuck me like his naughty bitch. He grabbed my hips and pulled me to the edge of the bed and rubbed his cum coated cock up and down my wet slit. "Is this what you want bitch?" he asked. I screamed, "YES! Give it to me NOW!" Without warning he rammed his huge fat cock hard into my hungry pussy and began slamming over and over.

I could feel my boobs swaying back and forth over the sheets, rubbing my nipples. I looked up and watched Mary slowly finger her swollen slit and that was enough to push me over the edge.

"Fuck me Steve! Fuck me fucking harder, make me feel it for the next week!" I ordered. Grunt after grunt, he thrust brutally into me giving me the most incredible cum ever. He groaned he was going to cum and I pulled off him and Mary and I got down on our knees and opened our mouths as he fed us his massive load. After a half hour rest, we went for another round before left for home. Even though I lost the bet, it was the best bet I had ever made!

CUBICLE CUNT!

I'm a rampant lipstick lesbian who just loves any opportunity to try some fresh pussy. My live-in girlfriend works nights, which is usually when I'm at my most horny, so I'm very lucky that she's cool with me trying out other pussy while she's away. In fact, it really turns her on to hear of my adventures, then re-enact them with me the next day! So I get twice the fun – but then I always was a greedy girl!

One particular sultry night I was cruising a local lesbian bar looking for a pick-up. I'm really into being feminine, and love my girls that way too. And I soon spotted this sweet-looking blonde who was just how I like them, and really made my pussy throb. She had cropped blonde hair and a really pouty full red mouth, biggish tits and a great firm, round bum. "She'll do nicely," I thought.

My big come-on to this blonde called Anna started with me following her into the toilet, where there was already some interesting action going on in some of the cubicles. She'd been giving me the eye across the bar, so I figured she wouldn't mind me following her into a cubicle to get better acquainted. At

first she looked a bit surprised, but then she grinned as she pushed the door shut behind me, and we got friendly for a while. Yes – friendly in that way!

Anna had great tits, and her nipples were really hard when I sucked them, but I wanted to enjoy this babe properly in the comfort of my flat. So what if my girlfriend came back early – we'd just turn it into a threesome! Besides, I had some great sex toys I wanted to try out on this lovely lady!

Back at mine, we didn't waste any time. In fact we were so turned on we never even made it to the bed, but stayed writhing around on the sofa. We quickly got naked and I got a great eyeful (and mouthful) of Anna's juicy boobs before getting into a 69 position – my absolute favourite! My cunt was dripping in anticipation, and while I buried my face in Anna's close-cropped creamy snatch, she was hungrily tonguing my slick, swelling gash.

We were both moaning in pleasure and grinding into each other. There was only one thing we needed now, and that was some firm dildo thrusting! I rustled up some of my favourite twat tools, letting Anna have the first go wearing the strap-on with the double-ended jelly dildo. Lying back on the sofa, I let her straddle me, pumping one end of the dildo rhythmically into my sopping cunt as the rest of it disappeared into her slippery love box. Believe me, it didn't take me long to reach a shuddering climax – but of course I was soon hungry for more!

> **"I let her straddle me, pumping one end of the dildo into my sopping cunt"**

When it was my turn with the strap-on, I buckled it on – this time with my super-fat, realistic ten-inch prick dildo – complete with balls! I wanted to give this girl the ride of her life. First I was on top of Anna, giving her every fat inch of that monster dick, and, boy, did she love it!

"You've done this before!" she panted as I kept up the pace, every now and then throwing in some fancy pelvic wriggling.

"Yes, so enjoy every inch," I replied before we swapped positions, and she rode me cowgirl-style to seventh heaven, while I squeezed those magnificent tits. I guess I wasn't the only greedy girl, because it didn't stop there. We wanted another climax each at least before the night was through!

Next up, I was fingering Anna's juicy pussy and licking her tight little arsehole as she wriggled her bum in my face, all in preparation for my next toy – an anal vibe. First I eased it into her soaking snatch so the juices lubed it up ready for her cute bumhole. Anna begged me to fuck her arse, so I worked the vibrator easily into her bum.

As I upped the tempo, she groaned in pleasure while rubbing her clit, so I helped out with my tongue. She came, smearing her honeyed juices all over my face, and I took the opportunity to kiss her gorgeous mouth so she could taste the girl-cum too. This time I didn't need any toys to get me off. The two of us climaxed together, rubbing our deliciously wet cunts against each other in juicy orgasm. This blonde's so good, I'm definitely suggesting a threesome next time!

Fantastic Factory Presents

(Arrow Video, DVD £39.99)

Fantastic Factory, a genre label created by Brian Yuzna, delivers a box-set is a fun, squirmy Friday night in waiting to happen. Yuzna himself directs *Faust: Love of the Damned* and *Beyond Re-Animator*, the former a gory take on the Faust legend, the latter the further adventures of Lovecraft's evil Dr. Herbert West. *Arachnid*'s watchability largely depends on your tolerance for spiders. We watched it between fingers and from behind a cushion, as befits a film about giant alien spiders trying to lay eggs inside humans. Paco Plaza directs Julian Sands in *Romasanta: The Werewolf*. Its watchability largely depends on your tolerance for Julian Sands. Fingers and cushions are recommended. Packed with stacks of extras, this is another excellent package from Arrow Video.

★★★★

We have 3 box sets to give away. Email the name of Yuzna's 1989 Billy Warlock-starring classic to clubint@paulraymond.com

Sweatshop

(High Fliers Films, DVD £9.99)

If there's one theme that never fails to make its way to the centre of horror films, it's young people being punished for having sex/fun/dancing to music/being a bit arrogant and cunty. In other words, all teenagers are fair game. In *Sweatshop*, party promoter Charlie loves to put on wild, dark and crazy warehouse parties, and plans on having her latest be the best yet. Unfortunately, something lurks at the warehouse – quelle surprise – and the ravers soon start disappearing, their screams drowned out by the music. How you feel about this may well depend on how near you live to the warehouse. There are some jumps, some gore and plenty of fun to be had with this decent genre entry.

★★★

Island of Death

(Arrow Video, DVD £15.99)

Long banned in the UK since its release in 1975, this is a truly unusual exploitation shocker. British couple Christopher and Celia arrive on the Greek island of Mykonos an embark on a frenzied, sadistic bloodbath, killing the locals in increasingly deranged ways. They seem to target 'immoral' individuals – gays, lesbians, sexual libertines, a painter – as they attempt to purify Mykonos. It's nasty rather than gory but, as its reputation suggests, it's a superbly nasty little film.

★★★★

Courtesy of Arrow, we have 5 copies to give away. Simply email the director's name to clubint@paulraymond.com. Good luck!

Confessions

(Third Window Films, £14.99 DVD, £19.99 Blu-ray)

A critical and commercial hit in Japan, as well as Japan's official entry in the Best Foreign Film category at the Oscars, Tetsuya Nakashima's dark, unusual movie is well worth seeking out. After teacher Yuko's four-year-old daughter is found dead, she returns to work at school, despite believing that two of her pupils killed her child. She seeks revenge in slow, psychological ways, attempting to force a confession out of them. Issues of guilt, innocence, mental illness and grief swirl around in a film that sustains its dark mood impressively.

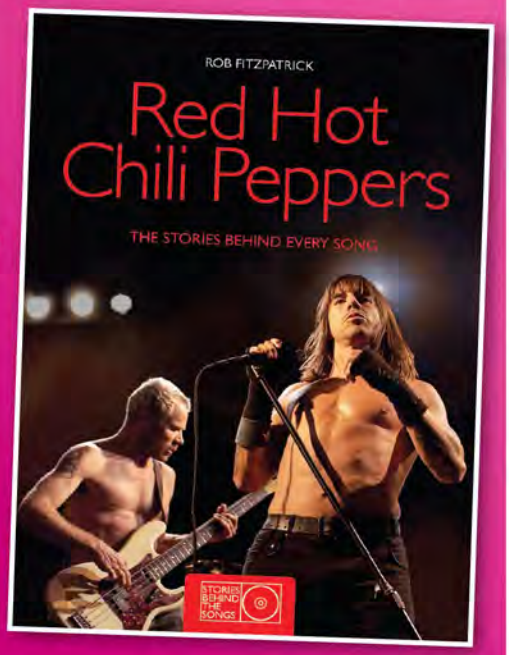
Red Hot Chili Peppers: The Stories Behind Every Song – Rob Fitzgerald

(Carlton Books, £9.99)

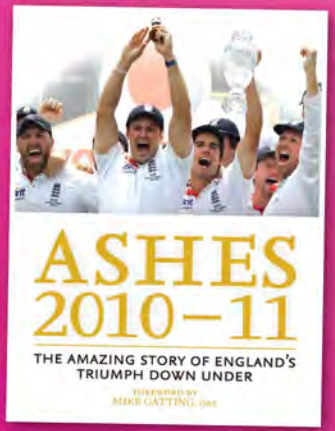
The latest in this series takes a close look at US group the Red Hot Chili Peppers, and the genesis of their songs prove interesting partly because of the tapestry of influences they so obviously weave into their songs. With rap, rock, funk, ska and more in the mix, Rob Fitzgerald has much to explore, especially with their breakthrough albums *Mother's Milk* and *Blood Sugar Sex Magik*. Fitzgerald, a writer for *The Word* magazine, among others, is a great guide, but some of the photo captions are way off. Very warm, rather than red hot.



Ashes 2010-2011 – Press Association Ltd.

(Carlton Books £14.99)

It already seems a long time since the victorious Ashes tour of Australia. A mind-numbing series of one day matches and an arse-numbing Cricket World Cup have served to distance us from the event and from England's rare superiority. But while it lasted, it was a wondrous series for fans of the English team. Alistair Cook and Jonathan Trott piling on the runs, Tim Bresnan and Chris Tremlett emerging as world-class bowlers, the brilliant Michael Hussey pretty much a lone ray of hope for the fading Aussies. Relive it all with this excellent chronicle of the series we'll be rubbing in the faces of our Aussie mates all year.



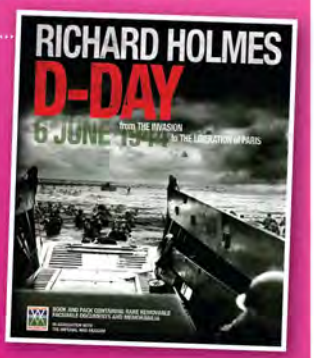
The Best of Dennis Wheatley – Dennis Wheatley

(Prion Books, £20.00)

Dennis Wheatley is best known to contemporary audiences more for the film adaptations of some of his works, than for the works themselves. Hammer Studios' adaptations of *The Devil Rides Out* and *To the Devil – a Daughter* obscure the fact that Wheatley was selling a million books a year in the 1960's. Not all of his work stands the test of time – there are potboilers and standard genre efforts aplenty, and his reactionary politics aren't always palatable - but the three here, including the two titles mentioned above and *Gateway to Hell* – stand out as among his finest work. With plenty of occult madness, they're a guilty pleasure well worth enjoying.

D-Day: 6 June 1944 – Richard Holmes

(Carlton Books £20.00)



Richard Holmes has written many fine books on the British at war – *Tommy: The British Soldier on the Western Front* among the finest – and now he turns his attention to that iconic date, D-Day. The challenge here isn't just to present the facts – that's been done, memorably by Anthony Beevor – but to deliver something new. Holmes' research shines through here, giving us access to rare memos, letters, diary entries and maps, all of them further developing the picture we have of that thrilling, complex, tragic and heroic day.

Commando: Rogue Raiders – Calum Laird

(Carlton Books £15.99)

Yes, we admit it, we're a bunch of kids who never grew up. We're still working our way through the huge Commando box set we got for xmas, but this is definitely going on the birthday list – a bunch of the 10 best raiding-related stories from the classic pocket war mags. Of course, we've all come a long way since we called Germans 'the Hun', but it's hard not to get swept along as Commando's heroes dispense lead justice to Nazis and Japanese jungle fighters alike.

Premier League Darts

It's official – Premier League Darts is the new rock'n'roll! Music, birds, booze, and a tour of huge arenas packed to the rafters with raucous crowds, that's what it's all about – no wonder then, that Matt Loxham wanted a piece of the action.

The Lowdown

When darts split into two governing bodies back in 1993 – the original British Darts Organisation (BDO) and the newer breakaway Professional Darts Corporation (PDC) – the sport gradually began to drift in two distinctly separate directions.

The BDO stuck to a similar schedule and format to the one they'd always followed – the one that had provoked the breakaway group of players in the first place – relying on the same fans, venues, and depending on the famous World Championships at the Lakeside for TV exposure.

The PDC, on the other hand, had to be very progressive, creating brand new tournaments, finding new arenas, getting a fledgling Sky Sports on board and introducing innovations such as player walk-ins, music and actively encouraging rowdy crowd participation.

It took a while, but by the early noughties the PDC side of the game was booming, with bigger venues required for major competitions both established and new in order to accommodate a rapidly growing fanbase who all wanted to be part of this darts revolution.

Launched back in 2005, in many ways the Premier League is the pinnacle of the PDC's success, the culmination of years of promotion and hard work in overhauling the professional darts scene and giving the game genuine mass appeal once more.

Over three months, eight players – the top four in the world and four wildcard picks – go head to head across 14 sold out arenas up and down the UK, with crowds of up to 10,000 pissed-up oche nuts going mental as the 180s fly in. This year, the top four at the end of it all qualify for the finals at a sold-out Wembley Arena, where they'll shoot it out for Premier League glory.

It's quite the transformation for a sport once considered dead and buried by many, the preserve of beer-bellied blokes swilling pints of bitter, a fusty fag-stained image that was scaring off the broadcasters and sponsors, and which nearly resulted in the game disappearing almost completely from our TV screens.

The Premier League of Darts is proof that the game is now very much alive and well. And if you don't believe me, just try and get a ticket.

The Players

Gary Anderson

With his mighty scoring prowess, former World Number One Anderson has long been touted as a future champion, although so far he's failed to live up to that expectation. This year is the first time he's taken part in the Premier League of Darts, and he currently sits in third place after beating the likes of Terry Jenkins and James Wade (twice), and hammering the current whipping boy of the tournament, Mark Webster, 8-1.

Nickname: The Flying Scotsman.
Tungsten Fact: Anderson has a pet parrot called Ruby.
Club Predicts: Losing Finalist.

Raymond Van Barneveld

He's a Dutch darting legend and five-time World Champion, but the coveted Premier League title continues to evade Raymond Van Barneveld. Exiting in the semi-finals no less than four times has done little to quell rumours that this tournament holds a bit of a hoodoo over Barney, and as he currently lies second in the table this year he's looking nailed on to reach that stage again. Can the Dutch dartsman overcome his last-four fears?

Nickname: Barney.
Tungsten Fact: Van Barneveld is left-handed, yet throws darts with his right.
Club Predicts: Semi sorrow.

Terry Jenkins

Tenacious both on and off the oche – he was once fined for brawling with fellow darter Andy Jenkins (no relation) – Ledbury's Terry Jenkins has battled his way up to number seven in the world rankings, and recently put in a career-best performance at the PDC 2011 World Championships, where he reached the semi-finals.

Although he defeated Raymond Van Barneveld in the first round of Premier League matches back in February, Jenkins' form has been patchy overall, and if he's at Wembley Arena on May 19th the chances are it will be in the crowd.

Nickname: The Bull.
Tungsten Fact: Jenkins used to work as an antiques dealer.
Club Predicts: Going once, going twice, going home.

Adrian Lewis

As the current PDC World Champion, Adrian Lewis is the man they all want to beat, but he's still managing to hold his own in this year's Premier League, and currently sits fourth in the table. A former protégé of Phil Taylor – the pair still practice together – Lewis still has a way to go before he matches the mercurial achievements of his mentor, but he did hammer Taylor 8-2 in the first round of matches at the 02 Arena in London.

Nickname: Jackpot.
Tungsten Fact: Lewis won $75,000 at a Las Vegas casino but couldn't collect it because, at 20 years old, he was underage by American Gaming Laws.
Club Predicts: Luck deserts Lewis once again in the semis.

Phil Taylor

After he lost to Mark Webster in the quarter-finals of the PDC World Championships and then was battered 8-2 by Adrian Lewis in the first round of Premier League matches, fans and insiders alike were saying that Taylor was past it.

But you can't write a 15-time World Champion off that easily, and he swiftly responded by going seven games unbeaten in the Premier League, thrashing arch-rival Raymond Van Barneveld twice along the way.

Nickname: The Power.
Tungsten Fact: Taylor was once accused of trying to put an opponent off his game by farting on the oche.
Club Prediction: Winner, but not by wind power.

James Wade

Officially the second most successful player in PDC history after Phil Taylor, over the last few years James Wade has been a regular fixture in the latter stages of the major tournaments.

After finishing runner-up in last year's Premier League, however, he's uncharacteristically having a bit of a nightmare in the 2011 event, and currently lies at the foot of the table. Can Wade turn things around in time, or is it back to the practice board for the Aldershot arrowsman?

Nickname: The Machine.
Tungsten Fact: Wade used to work at Kwik-Fit in-between practice sessions.
Club Prediction: Two tyres and tracking, £79.99.

Mark Webster

Victory in the 2008 BDO World Championships saw Welsh wonderkid Mark Webster suddenly become a big star in the darting kingdom, and although he flopped at the 2009 tournament his big win was enough to bag him a move over to the more popular PDC circuit.

He struggled at first, but a semi-final appearance at the 2011 PDC World Championships, beating Phil Taylor on the way, saw the Welsh show flashes of his former brilliance. In this year's Premier League, however, his play has been erratic, and in a recent round of matches Webster was smashed 8-1 by Adrian Lewis in front of a shell-shocked home crowd in Cardiff.

Nickname: The Spider.
Tungsten Fact: Webster is a fully-trained plumber.
Club Prediction: Chances already down the drain.

Simon Whitlock

The nearly man of the darts circuits in that he's reached World Championship finals in both the BDO and PDC brackets and finished runner-up on both occasions – narrowly beaten by Mark Webster and Phil Taylor respectively – Aussie Whitlock is nevertheless a gritty opponent on the oche with a never-say-die attitude and a funny beard.

> **"Aussie Whitlock is a gritty opponent with a never-say-die attitude and a funny beard."**

Although he reached the semi-finals in last year's Premier League, thanks to a poor start this season Whitlock will need to work all his special Wizard's magic to reach that stage in 2011, and if the 'Feared with the Beard' is still just outside the qualifying places – as he was at the time of writing – going into the last round of fixtures, then the game could be up, as Whitlock's final match is against Phil Taylor.

Nickname: The Wizard.
Tungsten Fact: Whitlock uses 24-carat gold-plated darts.
Club Prediction: No Wizardry at Wembley. ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

GOOD NEIGHBOURS!

When my husband told me that the next-door neighbour's daughter, Amy, had propositioned him for sex, I must admit that I laughed in his face and told him he must be delusional.

"Why on earth would an 18-year-old babe be interested in you?" I asked. To be fair, Chris keeps himself in very decent shape and I've certainly not got any complaints, but why on earth sweet little Amy would have any kind of interest in him was beyond me.

"So," Chris said in a slightly hurt tone, "if it's so far beyond the realms of belief, you won't mind if I do it, will you?"

"No love, you knock yourself out."

"So, just to make this totally clear, are you giving me permission to engage in sexual relations with this woman?" For the last part he assumed an American accent, as per Bill Clinton's referencing to Monica Lewinsky.

"Yes. Absolutely," I laughed, "you have my permission to do whatever Amy wants."

Chris seemed pleased with this and he had an enormous grin on his face, which did make me a tad nervous. Then I thought about butter-wouldn't-melt-Amy and I felt the laughter welling up inside me once again. "No fucking way," I chuckled to myself.

However, I have to say that Chris carried on the game well. There was a marked improvement in the frequency and passion of our lovemaking over the next few days and his general demeanour was totally different. I liked what was going on in the bedroom and decided to play along.

Then he asked if it was alright if Amy gave him a blowjob. I said it was fine by me but he asked if I'd write him a note and even got me to sign and date it. I burst out laughing once again, "I feel like your Mum giving you permission to bunk off school," but I did it.

"So how was it?" I asked during our next frantic sex session.

"Not as good as yours, technically" he said, "but I fucking loved it." I didn't believe him for a second.

"Did she swallow?"

"She tried to but she kind of gagged and coughed and I think some ended up coming out of her nose. It was kind of a mess really." My mind was filled with visions of Amy struggling with my husband's cock as I had another tremendous orgasm.

Amy was now the focal point of our lovemaking and I even came up with a lesbian fantasy which I recited to Chris and he promised to pass on to her. I was coming harder than ever, thinking-up dirtier and dirtier things to do with Amy, which Chris assured me he was passing on to her. I even signed another note giving my permission for Chris to fuck her.

> "I was thrilled to feel Chris' hard cock pressing straight into my bum"

The reality of the situation suddenly hit home when we met Amy in the local supermarket. She was absolutely radiant in a way that told me she was totally loved-up. That stopped in an instant when she saw me. Her face flushed and her happy demeanour became fixed and forced. I was chattering away to her but she wasn't responding. Could she read my mind? Was she shocked and disgusted at being the object of my husband and my own fantasies?

There was an awkward silence for a couple of moments before my husband came over and kissed her. It wasn't a peck on the cheek. It was a lingering tender kiss on the lips as he swept her up in a tight embrace. It was the kiss of lovers. I was utterly shocked as it dawned on me what this meant: It was all real!

Here was a girl that was fucking my husband and I'd given her my written consent! I had kind of wondered whether it might be real but that was just to make the fantasy all the more exciting. Deep down, I was sure that my husband was making it all up. Turns out I was wrong. No wonder she didn't know what to say to me. What do you say to the wife who lets you shag her husband?

I suddenly remembered to breathe and my heart started beating again as my mind continued to race. I was trying to think of all the 'fantasies' that were now proving to be so real. Amy and myself were now caught in a very uncomfortable silence. However, I was about to find out that her's was one of excited anticipation.

"Go on, show her, Amy." Chris enthused. Amy looked both ways up and down the aisle before lifting the front of her skirt and pulling her panties open to reveal her naked pussy. One of my fantasies had specified her having, "totally shaven lady parts" and I realised that I had unknowingly set out our roles in this situation already. With a stab of excited horror, I suddenly remembered the rest of this, my own fantasy, and knew that it was playing out right here and now. That is, if I wanted it to. If I really dared go through with it: I'd said that I wanted to eat her pussy out in public. They had arranged this for me. I looked at them both and somehow plucked-up the courage to follow through.

I checked the aisle – a couple of young women were just coming towards us but didn't seem to notice as I put my bag on the floor and started rummaging in it. Crouching, I

was now level with Amy's pussy. It was absolutely smooth and looked more inviting in real-life than in my fantasies. I could see her labia glistening and caught a whiff of its erotic perfume. Her panties slid to one side and I lent forward and Amy gasped as I nuzzled against her sensitive flesh. One of the two women turned and I saw her make an 'Oh-My-God' expression with her hands up holding her face before smiling warmly at us. She came back and quickly pointed her camera-phone expectantly at me. Having a total stranger filming me wasn't part of my fantasy… but it made it even dirtier!

I felt the pressure of Chris' hand on the back of my neck and suddenly my lips were pressed against her mound. Amy gasped again as my tongue came out and slipped between the folds of her inviting teenage pussy and then louder as I sucked her soft flesh into my mouth. Amy must have been tremendously turned-on as a constant torrent of juices flowed into my mouth and slid down my throat. Within a few seconds she was writhing in ecstasy and I felt her fingers in my hair urging me deeper and harder into her cunt as I took her to orgasm.

Amy released her grip and I came-up for air, the camera still capturing every second of my lesbian exhibition. The camera-woman introduced herself as 'Sarah' and Chris made our introductions as his wife, Becky and his girlfriend, Amy. There was a spark of anger deep down at hearing that Amy was his girlfriend but I was just too shocked to do anything about it.

"So, did you have anything planned for this morning?" Chris asked, "I was wondering if you'd like to come back with us?"

"I don't think my boyfriend would be too happy," she replied.

"So don't tell him." We all caught the fact that as this wasn't an out-and-out 'no', she was thinking about it and I suspected that that was as good as a 'yes' with Chris' persuasive powers. I don't know what he said to her but she joined us in the car home. So somehow I was now sharing my husband in our marital bed with two young naked women. My husband was obviously eager to start with Sarah and I felt a twang as she eagerly sucked his cock whilst he fondled her perky tits. But any doubts I was having evaporated the moment Amy wriggled in between my legs and started licking my pussy.

She was eager and tender and I felt myself melting, letting all the shock and anger drift away as my body responded to my wildest fantasy made real. I manoeuvred myself into a 69 with Amy, pulled her pussy open with my fingers before exploring her sex more thoroughly with my mouth. Soon after, I felt fingers on my bum as Chris showed off my derriere to Sarah. Then I felt the surprising sensation of another girl exploring my arse, kissing lightly across my cheeks before tonguing my hole. It was deliciously dirty being the focus of all this attention and I revelled in the new sensations of two girls eating me out. However, as tongues tired, this was replaced by the familiar presence of Chris' cock and I was thrilled to feel it pressing straight into my bum. It was so wanton, especially with the two other girls watching.

In fact Sarah had her phone going again as my sphincter gave way and cock surged into me. I buried my face in Amy's pussy as Chris pounded my arse like I was an eager porn star. We both came quickly and hard, his cum splashing over my arse and dripping down on Amy, pinned between my legs. We were both spent but whilst the two girls took turns in trying to nurse Chris' cock back to an erect state, I took the opportunity to lick and finger both their willing arseholes.

Quite how I've managed to find myself in the middle of all this I don't know but our sex sessions, if anything, are getting more exciting. I love it when Amy or Sarah come round and join us. Sarah has shown her boyfriend the videos she's taken and she says that he's eager to join in, especially if I'll let him shag me in the arse. Two cocks AND two pussies at the same time? Bring it on, I say!

ALBUM REVIEWS

THE CHARLATANS

Who We Touch Tour: Brixton Academy (Concertive)

This is a great live album and a decent listen if you're going on a long drive. With classics such as *Another Rider* and *Sproston Green*, you'll arrive at your destination, throw your Mrs over the bonnet, and stick your cock straight into her backside.

THE WOMBATS

This Modern Glitch (14th Floor)

The scousers' debut album was a nice treat – decent songs with a few killer singles and thankfully for us they have used this same winning formula again. *Tokyo (Vampires & Wolves)* and *Techno Fan* will have any self respecting youth dancing around the indie dance floor in tight jeans looking for some nice fresh student fanny.

PS I LOVE YOU

Meet Me At The Muster Station (Paper Bag)

It's a great feeling when you find a new band like this. Two Canadian blokes making some lovely noise with a touch of The Pixies really is great fun – make sure you catch them live this month and with any luck you'll be able to bone one of their groupies.

SUEDE

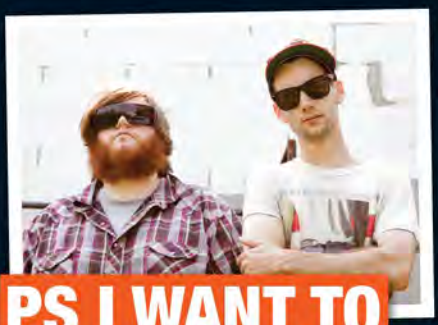
Suede (Demon)

Suede sold plenty of records but eventually the brass always runs out – and that's where the reissue always helps. 2 CDs including the debut album, demos, B sides, 2 previously unreleased songs, a booklet, and DVD footage of the band live at the Sheffield.

COLD CAVE

Cherish The Light Years (Matador)

Like Depeche Mode and The Cure? Well, you're going to absolutely adore this gem from Wesley Eisold AKA Cold Cave. Perfect for coming back from the nightclub on a Sunday morning with a pretty thing that you met snorting mephedrone off the toilet seat.



PS I WANT TO FUCK YOU

Club chats to PS I Love You vocalist and guitarist Paul Saulnier…

Other than music stuff, what other jobs have you done in the past?

I was the only male baker at an erotic cake shop for 9 years. We used live nude models when we decorated the titty cakes. I was pretty committed to the art of baking and was strictly professional.

What is the most random thing that has ever happened to you?

One time I was given 30 million dollars on the condition that I spend it all in one month. The only catch was that I could not spend any of it on myself and by the end of the month I couldn't have anything to show for it. If I succeeded I would receive 100 million dollars. Anyway, I failed.

In life generally, what has been your biggest fuck up to date?

During one of my crazy Las Vegas benders I got 'superbad' tattooed on my dick. I was fully erect when I got it and the tattoo artist fucked up and severed some veins. Now I'm incapable of getting a boner and my dick says 'sad' down the side of it.

Please can you describe an encounter with the police.

I was dating a police officer for a while. Funny story, she had to arrest me for shoplifting dildos... That's how we met. The relationship didn't last long but it was amazing.

Where have you been that you absolutely loved?

Right now is pretty good. I'm with my band and crew driving through America in our cramped tour van. I take things one day at a time.

Have you ever killed an animal, either by accident, or for pleasure?

I'm a vegetarian. One time on tour we ran over a skunk by accident. I made sure we used every part of the animal though.

Have you ever been completely lost somewhere?

I got lost in Las Vegas once. It was weird. I was trying to find a shortcut to the Hustler club and I took a wrong turn and... it's almost as if the city just ended and I was on an abandoned dark street in the middle of the Nevada desert. It was like a weird space-void that I got trapped in for hours. Don't try to find shortcuts in Las Vegas.

What sort of women do you go for?

Usually women who are as crazy as I am but who also have mega big hearts made out of magic gold.

Where is the most random place you have had sex?

I only have sex in public places. I've done it in trees, parks, bus stops, trains, underneath a parked transport truck, in elevators, classrooms, planes, bathrooms, department store change rooms, hotel lobby, in the club, outside the club, on the roof of the club, at the firing range, backstage, food courts, etc. So honestly, I'd have to say that the most random or unlikely place I've had sex is at home in my own bed. That never happens.

Have you got any funny stories that involve sex shops?

One time I tried to see how many dildos I could shoplift. It was 17.

Have you got any little fetishes you can tell us about?

Nautical uniforms. Sweet pickles. Tights. Needles. Insults. Folk music. Texting while fucking. Haircuts. Billiards. Smoking. Pretending to have an office job. Large hats. Tights. Listing fetishes.

Have you ever been caught having a wank?

I'm wanking right now. Does that count?

Cheers Paul, keep on shaggin'.

The debut album *Meet Me At The Muster Station* is out now and it is class.

ON THE GAME

Mortal Kombat

(Warner Bros. Interactive Entertainment)

PS3, Xbox 360

★★★★

A long time ago – not a great deal short of 20 years, nearly, which makes us feel old – the name *Mortal Kombat* didn't immediately make you think of a dreadful Paul W.S. Anderson film. No, it made you think of a brilliant, visceral fighting game. Several sequels later, they've gone back to the basics here, not in terms of graphics or speed, obviously, but in terms of general game dynamic. For years, people have got carried away with tech innovations and games have been tech-led rather than gameplay-led. This game remembers that in this franchise, people want 2D fighting with *Mortal Kombat* characters, and delivers just that superbly. There are PS3 exclusives but whichever console you've got, this delivers.

Virtua Tennis 4

(Sega)

PS3, Xbox 360, Wii

★★★★

We still remember our first arcade game of *Virtua Tennis*, a notoriously tricky to convert sport rendered brilliant and addictive by Sega. And it has largely been a success on consoles as well. But the recent post-Wii innovations such as Playstation Move and Xbox 360's Kinect have opened it up to a whole new audience who might actually lose a few grams by waving their arms about while playing it. As with all franchises, the challenge is to innovate rather than just put in the latest players, and the new World Tour career mode is probably the best new thing here for single players. Smashing.

Portal 2

(EA)

PC, PS3, Xbox 360

★★★★

When Valve packaged *Portal* as part of *The Orange Box* with *Half Life 2* back in 2007, did they know it would become the breakout under-the-radar hit of the year? Short in duration it may be, but the physics-based puzzler is a truly brilliant creation, a head scratcher that even throws in a great storyline to boot. Its success made a sequel inevitable and *Portal 2* doesn't disappoint. As well as similar puzzles and characters, there's also a co-op mode, and it's jumping onto PS3s as well. Let's hope it finds the audience it deserves. ♣

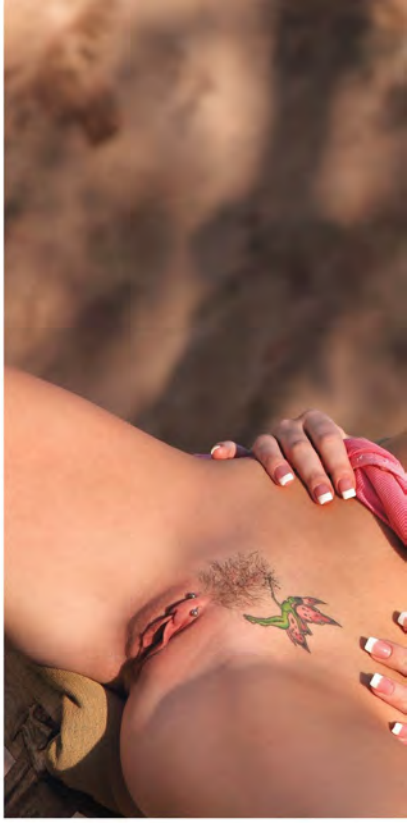
Alexis is a hard girl to track down...

Since we first featured Alexis Ford a couple of years back in *Club*, she's gone from being an up-and-coming glamour model to a firmly established porn star. This has its ups and downs. She's now harder to get hold of when we want to take photos of her, but on the upside, we know exactly which DVD's to hire when we want to see her tongue disappearing into a woman's lady part, or having her face soaked with a jet of jizz. This is a good thing.

Of course, we hope the fame and fortune doesn't get so good that she's no longer available to lick lady parts or soak up jizz, or pose for photos for us. If it does, well, we just give up. Life's not fair. ♣



ALEXIS

What our well-placed moles are telling us this month...

DOWN THE WIRE

Bouncing Bollocks

Scotland's Falkirk Sheriff Court recently took an understandably dim view of one of the Stirlingshire town's citizen's nocturnal misbehaviour. Fifty-five-year-old James Burden was convicted of indecent exposure following an incident when a female neighbour peered from her window just before dawn and saw Burden, stark bollock naked, puffing a cigarette and masturbating while bouncing on the trampoline in her garden. In court, Burden loudly protested his conviction, insisting that he could not have known anyone would be watching at that early hour.

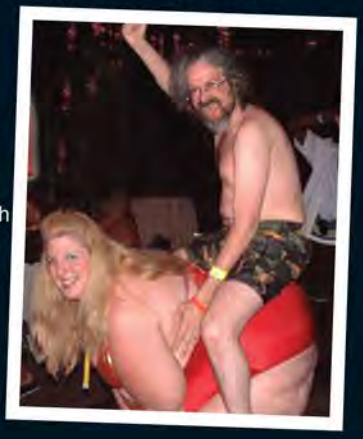
Braveheart died for this?

Piggyback Rides

Police in Bonney Lake, Washington, are currently hunting a pervert who calls himself 'Dale' and reportedly haunts a high school trying to befriend male athletes who can help him to satisfy his very particular sexual appetites.

Most recently, Dale, whom law enforcers describe as 'potentially dangerous', succeeded in luring a strapping teenage muscleman into a high school library on the pretence of being able to help the boy with a term paper project. But when the youth noticed Dale playing with himself he told him to forget the whole thing and tried to walk away.

At this juncture, however, Dale jumped on his back and demanded that the terrified jock satisfy his fetish and give him a piggyback ride. The search for Dale continues, as police attempt to establish whether the miscreant is on foot, in a car, on being carried towards the state line on some fearful young bloke's shoulders.



Bleedin' In Sweden

A German truck driver in his 30s left the road and totalled his 18-wheeler near Boras, Sweden, and though not seriously hurt, was pinned, immobile, in the wreckage. The cause of the accident was a puzzle until rubberneckers, rescuers and police noticed that the trapped driver's stalk and knackers were on display and his blood-streaked fist was still feebly pumping his knob.

Safer To Just Live Together

Having served their porridge and realised the error of their ways, convicted Canadian murderers Tom Elton, now aged 54, and 59-year-old Brenda Blondell, became prison-rights activists while in jail, and, partly in consequence of their good deeds, they were each eventually paroled.

On the outside, they met up and continued their sterling community work together in Vancouver, British Columbia and even became a couple. Then the two jailhouse lovebirds got married. BIG mistake. Police recently arrested a still-homicidally-irritated-about-something Elton and charged him with murdering Blondell.

Marry in haste, die at leisure.

Cannibal Islanders Appreciative But Repentant

Natives of the Erromango region of Vanuatu, an island in the Pacific, recently held a formal 'conciliation ceremony' with the great-great-grandson of the British missionary Rev. John Williams.

In 1839 Rev Williams, the most celebrated missionary of his time, waded ashore on Vanuatu smiling and waving a King James and was immediately wrestled into a pot, cooked and masticated. His laidback descendant Charles Milner-Williams met with the descendants of the happy, smiling people who had washed down the Reverend with a clay cup of water, and Vanuatan legislator Ralph Regenvanu explained to him that eating folk who stumbled ashore was a cultural thing – "a sacred warrior practice aimed at vanquishing a threat absorbing the power of the enemy".

Mr Milner-Williams said he quite understood. The Vanuatans said that, even so, the islanders were terribly sorry and still felt guilty about having eaten the Reverend. Mr Milner (basically) said these things happen, and not to worry. The Vanuatans said that they realised 'sorry' wasn't really good enough and would Mr Milner-Williams' family like a seven-year-old girl to take home with him as a symbol of their penitence?

Mr Milner-Williams that a seven-year-old girl would do nicely and not to give the whole eating-his-ancestor faux pas another thought. He and his family left the island with the girl, after declaring to the press that he would educate, not eat her. ♣

Heston Blumenthal was getting out of hand.
